COMMISSIONER
1918

18th January, 1918.

Memorandum:

N.E. 34-55-1 W. 5th M.

The Agent has been holding this land for Pte. John W. McGillis, whose application to cancel made prior to his departure for active service overseas was successful, and whose death on active service has been confirmed.

Cancellation proceedings on behalf of Pte. McGillis were taken against the former entrant on the 20th October, 1916, and cancellation was carried out on the 2nd April last.

As Pte. McGillis was on active service, the Agent held the land for him until he was in a position to make entry for it.

Last November the former entrant notified the Agent that Pte. McGillis had been killed in action and that he did not think the relatives wished to secure the land, as it is not suitable for agriculture -- also that he (the former entrant) wished to secure the prior right to lease it.

The Department of Militia & Defence has furnished a certificate of death showing that Pte. McGillis was killed last June and that according to their records his next of kin is Alexander McGillis, brother, Riviere qui Barre, Alberta.

Attached hereunder is a copy of a ruling given regarding cases of this kind. It is set forth in this ruling that such cases should be submitted to the Deputy Minister's office in order that they might be brought to the Minister's attention.

In the present case, as the deceased mentioned his brother as being his next of kin, it is not likely that he had anyone absolutely dependent upon him, and it might be considered advisable to cancel the reservation and make the land available to the first applicant.

Respectfully submitted,

J. W. Greenway, Esq.,
Commissioner of Dominion Lands,
Ottawa.

Re: Gottlieb Stach--Old Age Security Pension.
Gottlieb Stachoske.

Dear Sirs:

I have applied for an old age Security Pension and am having considerable difficulty in proving my age on account of lack of documentary proof. Part of my home burned, where I kept my papers, and all my records were destroyed.

Mr. H. C. L. Gillman, Regional Director of Old Age Security advised me in in a document issued by his office that I could get some information as to my age from your ###### department.

I filed on my homestead in 1905. I made my application through Ottawa. My homestead was NE 1/4 of S. 30-38-18 West of 4th Meridian, Alberta. I shall be very grateful if you will help me out in this matter and send particulars of my age at that time to the Regional Director at Edmonton, Alberta, or to me and I will forward your letter to him. I filed on my homestead as Stachoske. I have been using my surname as Stach since 1906.

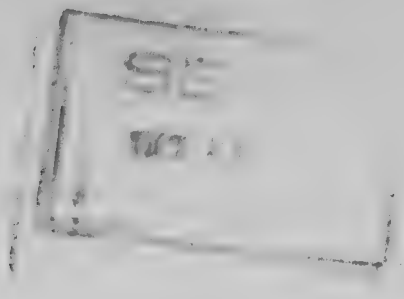

Thanking You,

I am,

Yours truly,

As there appears to be a considerable amount of timber on the fractional South West quarter of Section 14, Township 46, Range 2, West of the 5th Meridian, you are hereby authorized to withdraw the land area in this quarter section from the fur farming application in order that the application for a license timber berth, now before the Department, on this fractional quarter section may be considered.

You will note, however, that in this case the consent of the berth holder to a License of Occupation for fur farming purposes covering the water area being issued in favour of the Province of Alberta will not be required.

Memorandum.

I beg to submit the letter herewith from the Agent at Red Deer, with which is enclosed a statutory declaration made by Mr. Frank Smith, in which the latter sets forth that he went into residence and made improvements on the N.E.¼ of 37--40--16, W. 4th M., (Hudson's Bay Company's land) before the township was surveyed.

The records show that Mr. Smith made entry for this quarter-section on the 4th June last; and that the land has not yet been vested in the Hudson's Bay Company.

Under the circumstances, I think the Company might be asked to relinquish their right to the land or the understanding that they be given a quarter section in lieu thereof.

Ottawa, 14th April, 1906

MEMORANDUM:-

The file in this case was lost for some time, but has at length been discovered and brought up for action.

Henry Johnson obtained homestead entry of the 31st of May 1904, for the N.W.¼ of Section 8, formerly 14, Range 28, West Fourth Meridian, Manitoba no statement of improvements. It was then represented by Mr. W. H. Hull that the entry was secured by misrepresentation, and the Homestead Inspector reported on the 21st of August last, that Johnson had built a stable, broken 5 acres, and fenced 10 acres, that previous to his entry there were two buildings, improvements of the value, [illegible] shed $150, Corral $50, [illegible], the property of Mr. Hull.

On the 16th of September last, the Agent was told to take steps at once to cancel the entry, allowing 30 days to file a defence. This he did on the 5th of October following, and on the 2nd of January, [illegible] Johnson.

On the 3rd of January, the Agent wrote that Johnson was ready to go into residence, but the point to be considered is as to whether his entry was not properly obtained.

There has been a considerable amount of correspondence in this connection, the Messrs. Kelly, McLean & Ballachey, Barristers, High River, acting on behalf of Johnson, contend that any misrepresentations which may have been made were the result of inadvertence, and that their client is willing to pay for the land.

A fresh report has been obtained from the Homestead Inspector, under date the 31st ultimo, and he considers that Johnson must have been aware of the facts of the case.

Respectfully submitted.

J. W. Greenway, Esq.,
Commissioner of Dominion Lands.

Memorandum.

Mr. York,

[illegible] with reference to the right of Mr. [illegible] to object Mr. [illegible] sworn from [illegible] r's leasehold is one which should be referred to the Department of Justice. See the Minister's memorandum to that effect.

Deputy Minister.

F.
661/1907.

12th June 1907.

S i r;

I have the honour to acknowledge receipt of your letter of the 6th instant -961551- with further reference to the homestead entry of M. Johnson for the southeast quarter of Section 6,Township 14,Range 28,West 4th Meridian.

You state in reply to the request contained in my letter of the 22nd ultimo for a reference to the authority under the statute or otherwise for the cancellation of this man's entry on the ground of misrepresentation,that the present Dominion Lands Act apparently does not contain any direct provision for cancellation in such a case,but it has been the practice of the department for years past to deal with homestead entries as being null and void when obtained by misrepresentation.

I beg to state that there is,in my opinion, no legal warrant for this practice,and no authority for the cancellation of an entry by the Minister or the department on the ground that it has issued through fraud or in error or improvidence. Mr Johnson's entry, therefore,is still in force notwithstanding that the department has assumed to cancel his entry,and can only be voided by proceedings in the courts.Whether such proceedings should be had at the expense of the department or that of the lessee,Mr Hull,as,I think,a matter of policy for the consideration of your department. There is, I think,no obligation in law upon the department to oust this homesteader.

The Secretary,
Department of the Interior,
O T T A W A.

The

The proceedings may be by way of information either directly by the Attorney General or by the Attorney General upon the relation of the lessee.

It seems worthy of consideration by your department whether ~~there~~ power should not be taken by an amendment to the Dominion Lands Act to cancel entries obtained by fraud or misrepresentation.

I have the honour to be,

S i r,

Your obedient servant,

Deputy Minister of Justice.

Department of the Interior

MEMORANDUM:-

You may remember the correspondence which arose out of a dispute between Henry Johnson and W.C. Hall, and the opinion of the Deputy Minister of Justice that the Department had no right to cancel Johnson's entry for the South East ¼ of Section 3, Township 14, Range 12, West of the 4th Meridian.

I do not suppose that it is worth while to depart from our practice or to take any action now, but bring the matter to your attention in as much as the refund cheques sent Johnson were returned by him, and are still in the Department.

I would suggest that they be cancelled.

Respectfully submitted,

Dear Sir;-

File No. 961551

Referring to your favors of Spet. 13th. and October 11th 1910 regarding my application to purchase the S. E. ¼ of Section 6, Township 14, Range 28, West of the 4th. Meridian. I beg to state that I have now complied with all the requirements incidental to the issue of the Water License in my favor covering the irrigation of certain portions of the land and I would now be pleased if you would arrange to issue a Crown Grant for Legal Subdivisions 1, 2, and 7, and accept my application to purchase legal subdivision 8 in said section 6.

I trust now that the matter will receive your early attention.

Yours truly,

DEPARTMENT OF THE INTERIOR,

(Copy on file [illegible] I.I.)

Ottawa, December [illegible], 1910.

MEMORANDUM-----Mr. Campbell:

The Minister's endorsation on your memorandum of the 21st March last is to the effect that Mr. Hull's application to purchase legal subdivision 8, of section 6, tp. 14, rge. [illegible], west of the 4th meridian, should be held in abeyance until the land under instruction by him for the irrigation of parts of legal sub divisions 1, 2 and 7 of the same section are in operation.

The said works have been completed (vide the Commissioner's report of the 14th November, 1910, on file [illegible] I.I.) but cannot be operated until next spring. Furthermore, there is a question of right of way still unsettled and the water licence cannot be issued until this point is cleared up. I do not think the Department is in a position to issue patent for legal subdivisions 1, 2 and 7 until right of way has been secured over the S.W.¼ of sec. 7, tp. 14, rge. [illegible], west 4th meridian.

The question of the sale of legal subdivision 8 might, however, be again submitted to the Minister, as Mr. Hull has done all that is possible at present towards carrying out the Minister's instructions and it is possible that the sale of legal subdivision 8 may be approved, notwithstanding the fact that the irrigation works, although completed, are not in operation. The sale, if made, would not be under the irrigation system and, therefore, this Branch has nothing further to do with the matter.

Mr N. O. COTE
PLEASE ADVISE ME
J. W. G.

Sir,

I beg to enclose you herewith copy of a letter received to-day from Messrs.Nolan & Eaton,Barristers,of this City,enclosing Declarations of Henry Johnson and others, together with a petition signed by a large number of residents with reference to the granting of patent to Henry Johnson for the S.E.¼ of sec. 6,tp. 14, rge. 26,West of the 4th meridian. This is the same land a part of which is applied for by Mr. Hull under the Irrigation Act being Legal Subdivisions 1,2 & 7. According to my inspector's reports on this matter in 1906 I recommended the cancellation of Mr. Hull's application by my report of August 27,1908. On September 14,1908, Head office letter advises that Mr. Hull's application could not be entertained, on December 2,1908,you gave instructions as follows:- "Hull to have until July 1st to complete and to be officially notified to go on with work with notice that he has until July 1st.to complete". On January 22,1909, authorization for this work was issued. On July 21,1909,Mr. J.A. Mackinnon,one of my inspecting officers,reported on this work - report attached hereto. On October 27 I reported on the cost of said works. On December 27 I am advised by head office that

Hon. Frank Oliver,
Minister of the Interior,
O t t a w a.

payment in full had been made by Mr. Hull. On May 31,1910, Mr. Hull was notified that he should get right of way over the S.W.¼ of sec. 7 from the Calgary & Edmonton Railway. On June 24,1910, Mr. Tempest,one of my officers,made an inspection of this scheme - report attached,from which you will see the works were not constructed by you on December 2,1906.

On October 22,1910,Mr. Tempest again reported on this scheme and found works completed - report attached. Up to the present time Mr. Hull has not obtained right of way over the Calgary& Edmonton Railway Lands,as they refused to grant an easement. Upon the strength of a letter received by Mr. Hull from Mr.Hunter of the C.& E. Railway,I issued my certificate under Section 33 of the Act,but this letter from Mr. Hunter was not accepted by Head Office. Mr. Hull was notified that right of way would be required and up to the present time no right of way has been secured.

I attach a copy of Mr. Calder's report on the scheme made in June 12,1907 and August 15,1908. I understand that Mr. Hull has sold this land along with other land he owned.

Your obedient servant,

Commissioner of Irrigation.

Dear Sir;-

Re Henry Johnson and S.E.¼ of 6-14-28-W. 4th.

We enclose herein Statutory Declarations of Henry Johnson, de Borgas and Severson in reference to the above quarter section and we also enclose petition signed by a number of people in reference to the same matter. We shall be obliged if you will kindly send the enclosed papers on to The Minister of the Interior, Ottawa, together with your report upon the matter, as we are anxious to get our client reinstated on said homestead and his patent granted to him, which we believe he is entitled to.

Perhaps you will be good enough to let us know what reply you receive from Ottawa, in the matter.

MEMORANDUM:

I quite agree with Mr.Cuttle, Inspector of Dominion Lands Agencies, that Mr.Henry Johnson has not been fairly treated by this department and that he is entitled to special consideration on that account. Mr.Cuttle's suggestion that Mr.Johnson be allowed to make homestead entry on land in the neighbourhood of the S.E.¼ of section 6, township 14, range 28, west of the 4th meridian, and that he receive patent therefor upon completion of the necessary improvements and without residence duties, seems quite reasonable and is probably the easiest and fairest method of dealing with this case.

Mr.W.H.Hull has entered into an agreement to sell to Mr.Bartlett, who has in turn similarly agreed to sell to Mr.Johnson, land which Mr.Hull did not own, viz: Legal Subdivision 8 of section 6, township 14, range 28, west of the 4th meridian. The only way in which Mr.Hull and Mr.Bartlett can convey title to Johnson for the quarter section, in accordance with the existing agreements for sale, is by first acquiring legal subdivision 8 by purchase from the government.

I therefore think that legal subdivision 8 should be sold to Mr.Hull on the terms suggested by Mr.Cuttle, but that the sale should not be made until Mr.Hull has actually irrigated the required proportion of legal subdivisions 1, 2 and 7, which have already been sold to him and are about to be patented. Mr. Hull should also be required to execute a satisfactory agreement binding him to transfer the entire quarter section to Bartlett and finally to Johnson without further cost to either of them.

Mr.Mitchell's suggestion would serve the same purpose but is open to the objection that it would not place Hull and Bartlett in a position to carry out their existing agreements for the sale of the entire quarter section. I therefore think Mr.Cuttle's suggestion is to be preferred, though both will serve the same purpose.

File 961847

Department of the Interior,
Ottawa, 21st. July, 1908.

Memorandum :- Mr. Cory,

On the application of L.T.Fortescue, of Tilsonburg, it was decided that Section 12, Township 1, Range 21, West of the 4th Meridian, which was reserved with other lands as a site for a reservoir for irrigation purposes by Order in Council dated September 27, 1907, should be withdrawn from the reserve, as a report from the Commissioner of Irrigation showed that it was no longer required for this purpose. The Commissioner in making this report states that he would not recommend that the section in question should be opened for homestead entry, but that public tenders should be called for and the land disposed of to the highest bidder, or else that it should be put up for sale at public auction, for the reason that since the date when the reservation was made the land in that vicinity has greatly increased in value.

Mr. Fortescue's application to have the land withdrawn was apparently with the object of obtaining homestead entry for his three sons : George E. who was 18 years old on the 8th December, 1907, James E., 14 years on the 4th October last, and Francis T. who was 17 years old on the 24th January, 1908,

I

W.J.Cory, Esq.,
Deputy Minister of the Interior.

I presume the land will hardly be held or Mr. Forrester's word, and I think probably the best plan to follow would be to dispose of the land by public auction, as suggested by the Commissioner.

Respectfully submitted,

Memorandum.-

Mr. James Tom on represented that he had squatted and made improvements on the S.E. 1/4 of Section 1, Township 51, Range 1, West Fourth Meridian and the usual form of declaration was sent him to be filled in.

In this declaration which has now been returned, Mr. Tom on states that he took possession of the land in 1901 and has resided thereon continuously"except when out for supplies or delivering cattle at Edmonton", and that he has erected a house valued at $100 and two stables and sheds valued at $50 and a trifle on the prior valued at $50. He also states that he has fenced to the value of $75. and has a large number of cattle.

The land in question is reserved in the records of the Department but has been granted by the Canadian Northern Railway Company on account of its land subsidy.

The Company claim that it is worth $10 per acre, which is rather high but has been reserved here.

As Mr. Tom on states that he squatted on the land in 1901 he squatted there prior to survey and he has, I think, in other respects established his claim.

MEMORANDUM:-

With reference to your memorandum of the 4th ultimo, (Marked), I beg to say that the Land Commissioner of the Canadian Pacific Railway Company, who was duly requested, in accordance with your decision, to state whether he would consent to exchange the N.E.¼ of Section 1, Township 51, Range 7, West of the Fourth Meridian, on which Mr. James Cormon had made valuable improvements, for an available portion of Dominion Lands of equal value, now intimates that the exchange will be agreed upon, provided the Company is granted the S.E.¼ of the same section, which was formerly relinquished in order that Mr. Cormon might enter therefor in lieu.

It was first thought that Mr. Cormon had made his improvements upon the said S.E.¼, which land was first included in the grant to the Canadian Pacific Railway Company, on account of its main line subsidy, but, owing to Mr. Cormon's claim thereto it was struck out of the grant before the Patent was issued. Owing to satisfactory evidence having been received that Mr. Cormon had squatted on the quarter section long prior to survey, he was granted entry for the parcel and the Railway Company advised, that said land was granted to him.

It was subsequently discovered, however, by the Inspector that Mr. Cormon's improvements were on the N.E.¼ of the section, and, it was in view of this

J.W. Greenway, Esq.,
Commissioner of Dominion Lands.

this fact that the Company was asked to surrender this latter parcel.

There would appear to be no objection upon the N.P.'s of the section being granted in the grant, to Mr. Corron's present entry for the S.W.¼ Section 9, T.[illegible], and the exchange being carried out.

Please see the third paragraph of Mr. Griffin's letter of the 21st instant, and say whether you are of the opinion that the Company is entitled to an exchange in lieu of the S.E. ¼ of Section 1, which was surrendered in order that it might be [illegible] by Mr. Common.

In this connection, I note that the quarter-section was first included in the grant to the Railway Company on account of its main line only, and owing to Mr. Common's claim thereto, it was struck out of the grant before the patent was issued, so that no release from the Railway Company was necessary.

Minister of the Interior,

Ottawa, Can.

Sir;-

I came to Strathcona, Alta., Aug. of '08, and farmed there [illegible] until I moved here on unsurveyed land in Aug. of 1[illegible], have lived here as a squatter ever since. This township was surveyed last July. I happened to be out at Edmonton after supplies at that time, and the surveyors had left before I had opportunity to see location.

My house and buildings are on the S.W. 1/4 of 1-[illegible] I-7-W4. Would like to know if I can have this quarter as a homestead and pre-empt the S.W.1/4 of sec. 2-[illegible] I-7-W4.. It is [illegible] valuable than the other, it is utterly worthless for cultivation purposes. There is [illegible] on [illegible] to cultivate [illegible] of the stony situation, but will be glad to [illegible] allow.

I have 130 head of cattle, 11 horses, [illegible] horses, [illegible] stable, [illegible] stable [illegible], [illegible] corrals, [illegible], mill over the river, 66 ft. [illegible] [illegible].

Can I [illegible] claim on to the above and give notice. It is necessary to have both parties to do business, and if I can't get the S.E. of 2-51-7-W4, as exemption, will I be able to get homestead, and pre-empt the [illegible] as above? I may say that the Inspector [illegible] advised me that I could present when I came in to see [illegible]. And I think it hard after coming 90 miles from town and [illegible] post-office, and [illegible] it only for nearly five years with an option to buy the S.E.(?) land at the old figure [illegible] was not surveyed. That I was misinformed.

I omitted to say that I came here from Carberry, Man. and have been naturalized a British subject.

I have a brother coming out in the spring and would like to have the S.E. of 6-51-6-W4. reserved for him. Would you

The area as [illegible] to the [illegible] of the pre-emptor is .08 acre at $3.00 = $0.24.

This case is similar to the one of Jesse Bennett where a patent has been issued to the [illegible] in the ordinary way of Way. under authority of O.C.

I presume that patent in this case will also be issued to the [illegible] as a free grant in view of the fact of the smallness of the area of the land applied for.

OTTAWA

Minto House.
Hawick.
11th Jan. 1905.

Mr. Usher of Lourthill, a neighbour of mine, very much respected in the County, called upon me yesterday in respect to business affecting his two sons who now own a ranch on the Bel Deer River in the North West territories. The sons left Scotland some years ago for Canada, their father at the time remaining on to look after their interests. They took up their ranch, the land I fancy at that time being unoccupied, so that I suppose they could technically claim to be considered as Settlers. They are on the [illegible] and [illegible] necessary cattle. Since their original settlement, however, they have taken up their homestead for the same land so as to establish their right to it on the number section which is more than the [illegible] of pasturage, but the most important part of their buildings are on the next old numbered section. Mr. Usher tells me it is claimed as Government land. According to the original homestead law, which I understand from recent enquiries when I was [illegible] the North West, is still in force, the owner of a homestead has the right of pre-emption to the next quarter section, but Mr. Usher tells me that he is informed that the law has lately been altered, and that a right of pre-emption no longer exists. The two sons have however attempted to buy the requisite land on the odd numbered section on which their buildings stand, but have hitherto entirely failed to get any answer from the Government officials, or to get any price put upon the land.

Mr. Usher very reasonably remarked to me that while this uncertainty existed he was hesitating as to further assisting his sons in a pecuniary sense. He said, in this particular case, that he was as to just treatment was not likely to overcome and men to enter the country.

In my opinion, even supposing the right of re-entry was cancelled, it would seem very bad policy to [illegible] and to dr[illegible] by practically ordering it their work, that by offering them reasonable protection and help might induce not only to themselves, but by starting a flood of capital to pour in which would follow in their wake.

The position of the case is as follows:

Section 23, [illegible] Quarter.

Township [illegible]

Range [illegible]

Situate in the [illegible] Meridian, in the District of the Peace River.

[illegible]
Lands and Mines,
Edmonton,
Alberta, N.W.T.

Dear Sir,

Re. H. E.

The land in this case was open to, and I understand was duly surveyed, and they had by their homestead as soon as the restriction was taken off.

Sir:-

I beg to acknowledge the receipt of your communication of the 10th April, 1905, file 967,138, in regard to the application of the Grand Forks Cattle Co. to purchase certain lands within their leasehold upon which I reported to you on the 2nd of January last. In regard to the change which the Co. desires to make in their application I cannot see that it makes any difference, the lands in both cases being of similar quality and value and if it is considered proper to sell the lands included in the first application there should be no objection to selling those included in the latter application, upon the same terms. I have not visited each parcel of land named in the latter as I did in the former , but I have no hesitation in saying that they are on an average of no greater or lesser value than the former mentioned ones.

If a detailed report concerning each section or portion thereof is required kindly instruct me.

Mr. Cumming,
Patent Branch.

With reference to your memorandum of the 10th instant, in regard to the lands which the Grand Forks Cattle Company have applied to purchase, I beg to say that the portion of the North West quarter of Section 9, Township 1[illegible], Range 1[illegible], lying West of the river, although a cancelled stock watering reserve, has been included in a lease to the Company; that the part of the North East quarter of Section [illegible] in the same township South of the river, and that portion of Section 1[illegible], West of the river, in Township 1[illegible], Range 1[illegible], are within the leasehold of the Company. The portion of the North West quarter of Section 1 West of the river, the West half and South East quarter of Section 2[illegible], Township 1[illegible], Range 1[illegible], the portion of the island in the South half of Section 7, Township 1[illegible], Range 1[illegible] and the portion of the island on the South West quarter of Section 4 and on the North half of Section 7 are not included in the Company's leasehold, but the latter two mentioned parcels are reserved for stock watering purposes. The remainder of the lands stand as stated in your memorandum.

The only authority for the sale of lands to the Company under this lease is the provision that the Company may purchase one [illegible] of the area of their leasehold, but this will not extend to any lands outside of

of the leasehold. If they apply to purchase any lands not included therein the matter should be specially submitted. In regard to the stock watering reserves which have been included in the lease to the Company, I think the intention is that such reserves should be sold to the Company, instead of being disposed of at public auction.

N.P.C.

Grand Forks Cattle Co.

Mr Cote- I have prepared list of lands applied for, with area.

Areas in red are within lease hold.
Areas in Green not in lease hold.

Memorandum:

To the Minister:

The facts in connection with the sale of lands to the Grand Forks Cattle Company and the Kettle River Cattle Company, respectively, are as follows:-

For some time previous to the [illegible] the mining regulations had been suspended and no applications for leases were being dealt with by the then Minister of the Interior, the Hon. Mr. Sifton, who did not consider them, as they then stood, entirely satisfactory.

It was Mr. Sifton's intention, in bringing in these regulations, to deal with all existing leases and applications for leases under their provisions. He gave instructions accordingly

accordingly, and these regulations were in course of preparation at the time these two Companies made their applications to purchase.

The new regulations contained a provision that any leaseholder who had complied with the other provisions of the regulations should be entitled to purchase land not to exceed ten per cent of his leasehold. This provision was also contained in the form of lease issued under these regulations.

It was under this regulation and provision contained in the leases issued to these Companies that the sales aforesaid were carried out. The applications to purchase were made on the 10th of December, 1904, at the time these regulations were being prepared. The regulations were approved by His Excellency the Governor General in Council on the 15th of February, 1905, and came into effect, after publication in the Canada Gazette for four weeks, on the 16th of March, 1905.

The applications were dealt with on the lines laid down in the regulations

and

and the officers of the Department and no other course open.

The delay in carrying out these sales arose from the fact that the list of lands applied for was several times changed as to particular fractional quarter sections: the delays thus occurring carried the transactions over to the dates when they were actually closed out, as appears by the answers to the questions prepared.

The fact that these sales were authorized before you became Minister, and that the leases provided for such sales, led me to the conclusion that it was not necessary to refer the details to you, as it was simply a matter of closing out a transaction authorized before you took office.

I trust that you will consider this statement a sufficient explanation of the action which I thought proper to take in this matter.

Deputy Minister.

JAN 6 1905
T. & M. BRANCH

Sir:-

I beg to acknowledge receipt of your wire of the 31st ult. asking for a report upon the application of the Milk River Cattle Company to purchase certain lands within the area which that Company holds under lease and to place a valuation on the same and to say that I have gone over these lands on several occasions, the last time being in the month of November last. The situation here is peculiar to the ranching operations of the Company as most of the Company have their townships of land under lease and have a large herd of cattle running thereon. The land is very arid, and [illegible] run [illegible] stock from Milk River. It produces a fair amount of most nutritious grass, but a very limited amount of prairie hay. The soil is of a very poor quality, [illegible] in some places it is [illegible], in other places composed of what is known as alkali flats (white clay) and in others it is alkali flats. I do not think there is a part or section of land in the whole result of which a person, considering the future would be justified in making an attempt to farm. The [illegible] remain practically devoid of water, except that in Milk River which flows [illegible] through the [illegible] three townships included in the lease. For this reason it is absolutely essential that the stock should have access to the river for water at all seasons of the year, otherwise the grass on the beach lands could not be utilized and would be of no value whatever. Again on account of the storms which prevail in that as well as other parts of the Ranching

Country during the winter months it is necessary for cattle to have some natural shelter to which they can go or a ruinous loss is unavoidable. Access to the flats or bottoms on the river are necessary for this purpose. For these reasons it can be readily seen, that unless control of of the river frontage can be secured by the lessees, a ranching enterprise of such a district is at all times upon a precarious footing. Another drawback to ranching in that locality is that a very limited amount of hay can be cut upon the leased lands. It has been demonstrated in all parts of the north that cattle ranching cannot be successfully conducted without provision being made to winter [illegible] portions will very [illegible] of the stock, and in the case of this district [illegible] the necessary winter feed in the bottoms of the River or along ring to grow through the [illegible] of irrigation [illegible] experiments with various [illegible] crops most suitable to the climate and soil. Owing to the fact that [illegible] generally speaking, runs in a direction from one stream to another, the bottoms are usually found [illegible] entirely disconnected with each other. The first [illegible] the installation of irrigation plant [illegible] explained, can be [illegible] operated under one system [illegible] it is to my mind doubtful if the result would justify the expense, but if no great amount of labor could be required it is reasonably certain that the amount of grass on the bottom lands could be increased [illegible] by providing water in the summer it could be utilized in the winter for young and [illegible] stock. I do not recommend any of the parcels of land which this Company desires to purchase, a list of which is hereto attached, of any particular value [illegible] their value could be [illegible]

with some irrigation scheme as above mentioned and for the shelter they afford to stock in winter and then only to the persons who have control of the grazing privileges of the bench lands in the rear. The results likely to be obtained by cultivating these lands is too uncertain and the expense too great to justify the payment of more than $1.00per acre for them. The sale of such lands to ranchers situated as the Gilt River Cattle Co is, paying as they do for the grazing privileges and having large investments in stock and plant, is in accordance with the policy I have on other occasions stated to the Department, I think should be adopted in dealing with lands that are not reasonably fit for cultivation on a small settlement. A sale of the area applied for by the Gilt River Cattle Co would not interfere with any other vested interest in that locality and I am not in favour of its being sold at the price mentioned.

Mr. Cory,

Please see Mr. Goodeve's Memorandum of the 20th ultimo, to Mr. Greenway, in relation to the application made by The Milk River Cattle Company to purchase certain lands. You asked me whether any portion of the tract applied for was within the territory reserved for The Canadian North West Irrigation Company.

I find that none of the lands applied for by the Cattle Company are included within that reserved for the Irrigation Company. A reservation, however, is made for a right of way through Township 2, Range 11, West of the 4th Meridian, and if the land in that Township is sold to the Cattle Company, it should be made subject to any right of way which The Canadian North West Irrigation Company may require in connection with their scheme. You will notice, by referring to the plan on this file, that the lands applied for by the Cattle Company are situated along the river bottom. It may be pointed out that if a tract of this shape is sold to a ranching company, it gives them water frontage and in the event of the lease of the surrounding lands being relinquished by the company, they would be of no value without river frontage.

Respectfully submitted,

M.McD.

THE ASST. SECRETARY.

Department of the Interior,
Ottawa, June 1th, 1905.

Mr. T. O. Core,

Referring to your Memorandum of the 30th ultimo, I may say that at the time you spoke to me with reference to the application made by The Milk River Cattle Company for certain lands, I informed you that I was not certain whether the Company had sufficient quantity of cattle on their leasehold to permit them purchasing 10% of the leasehold. A statutory declaration has been received from the Manager of the Company, that the Company have 4,000 head of cattle and [illegible] head of horses on the land, and that during the current year this number will be increased to 1,[illegible] head. The Ranch contains [illegible] acres.

The lease provides that the lessee, after [illegible] the prescribed number of cattle upon the leasehold, may purchase a reasonable area of the land for a homestead farm and corral, but not to exceed 10% of the total area of the leasehold; and that the lessee shall place, within each of the three years from the date of the issue of the lease, one-third of the number of stock, namely, one head for every twenty acres of land covered by the lease.

As the Company have 5,000 head of cattle, they have complied with the provisions of the lease in this respect. There would, therefore, appear to be no objection to the sale being carried out. You will notice, however, that the Deputy, on the margin of my Memorandum of the 14th of March, 1905, wrote the following instructions:-

"Sell as requested. If compelled to I suppose re-
"servation as suggested will have to be made."

The

The reservation referred to is a Right of Way which may be required by The Canadian North West Irrigation Company to irrigate their lands.

MEMORANDUM.

To Mr Coste

Department of the Interior,

Ottawa, 14th November 1905.

Re application to purchase by the Milk River Battle Company of certain lands in Townships 2 Ranges 8 & 10 West of 4th Meridian.

I have compared the lists furnished by the company in this case with the [illegible] and find that all the lands in the company's applications are included in the returns of the Dominion Lands Surveyors and that the [illegible] has more lands on his returns than the [illegible] as reported in favour of the lands he has been sold to the company. I have also checked the [illegible] furnished by the company and find that [illegible] to the lands [illegible] by me or the Sherwood lists are not exact in as much as some of them were approximate and I find that some were [illegible] one on the plan I have attached two schedules A & B. Schedule A covers the lands applied for in the two applications by the company and I have given opposite each parcel their respective areas which total [illegible] acres "B" is a list of the lands which the company desire

MEMORANDUM.

Department of the Interior,

to withdraw from these applications so as to bring the total down to [illegible] lands included in these lease, as some of the parcels which they desire to withdraw were not included in these applications but [illegible] were included in the Ranch Inspectors [illegible] The total area which they asked to have withdrawn from their [illegible] is 19 82.60 acres, from this I suppose we will have to deduct the area of the two parcels which they do not have withdrawn [illegible] which [illegible] included in the application, this area of 283 acres This would leave a balance of ~~15 acres~~ [illegible] acres to be withdrawn from the [illegible] which would leave the total of the land to be granted 537 or 538 acres short of 5000 acres, namely of the 10% of the lease.

In this connection see also the Secretary's letter of the 12th October last on file [illegible] herewith.

subdivisions 7 and 8 of section 24,township 2,range 9, west 4th meridian,and the N.E.¼ of section 26,township 2, range 10,west 4th meridian,containing 320.30 acres. This will bring the area,covered by the purchase, to 7960.30 acres,or only 10.30 acres short of the 8000 acres they may purchase under the Grazing Regulations, under which their lease was issued.

In this connection,however,I beg to call your attention to the fact that Local subdivisions 1,2,3 and 4 of section 10,township 2,range 11 - 159.30 acres; the N.W.¼ of section 11,township 2,range 10,west 4th meridian - 160 acres,and the N.E.¼ of section 26, township 2,range 10,west 4th meridian - 160 acres,not having been included in the original application from the Company,they were not reported upon by the Dominion Lands Agent,or inspected and valued by the Inspector of Irrigation,who valued the other lands,covered by the original application,at $1.50 per acre. It,therefore, appears necessary,if it is proposed to sell the parcels last mentioned,containing 440.30 acres,at a price less than the current rate of $3.00 per acre,to have them inspected and valued as were the other lands applied for.

A letter dated the 22 d instant has also been received here from the Milk River Cattle Company ,Ltd., stating that the buildings of the Company were located on the N.W.¼ of section 10,township 2,range 8,west

4th

west 4th Meridian, previous to survey of the said township and adjoining townships, and are at present upon such lands, and that some 2[illegible] acres are also cultivated. The Company, therefore, ask, as they cannot homestead, being a corporate body, to purchase the said land.

That part of this quarter section, north of the river, is the piece of land which could not be included in the sale of the one-tenth of their leasehold, as it was comprised in their lease, containing 139.30 acres, and that part thereof south of the river, containing 7.80 acres - in all 147.10 acres, and in order to provide access to the records of the Dale to Brandon railway land, has included in Homes No. 1[illegible], under lease to Messrs. Spencer & Taylor ([illegible]).

The portion north of the river was included in the lands reported on by the Inspector of Ranches, who valued it with the other lands principally applied for by the Company at $1.00 per acre, but no valuation was made of the portion of such section lying south of the river, containing 7.80 acres. I understand that the lease to Messrs. Spencer & Taylor is not a closed lease, but, I think, if it is proposed to sell the land to the applicants their lease should be obtained.

Respectfully submitted,

W. Cole

Sir,

With reference to your letter of the 23rd instant, on behalf of the Milk River Cattle Company, Limited, requesting that legal subdivision 8, north of the River, of section 21, township 2, range 9, west of the 4th meridian..... 146.20 acres, and legal subdivisions 5, 6, 7, and 8, north of the River of section 25, township 2, range 9, west of 4th meridian..... 144.2 / 144.40

[illegible] from the lands applied for in the Company's letter of the 7th ultimo, and that in lieu thereof the following lands be substituted, namely :- Legal subdivisions 7 and 8 of section 24, township 2, range 9, west 4th meridian..... 66.40 acres and N.E.¼ of section 26, township 2, range 10, west 4th meridian (north of River) ..... 156.00 / 222.30 acres.

I am directed to inform you that your request has been complied with, and to enclose, herewith, a list of lands aggregating 5631.90 acres, which in the records of this Department stand as a Dime sale in the name of the Milk River Cattle Company, Limited, on which lands the sum

of $1500, remitted to the Department by the Company, and for which official receipt No. 5272 was transmitted on the 17th November last, has been applied. Interest on the balance, $[illegible]31.90, will be chargeable from the 10th August, 1905, the date upon which the first instalment was received in the Department.

The areas given in the accompanying list differ in some cases with those given in the list which accompanied the Company's letter of the 7th ultimo, but the areas in the sub-joined list are correct according to the plans of surveys of record here.

I am also to point out that that part of the W.½ of section 19, township 2, range 8, west of the 4th meridian, which is the first parcel mentioned in the Company's list, has not been included in the lands sold to the Company because such parcel is outside their lease hold, and under the Regulations, under which the lease was issued in this case, the lands that may be sold to a leaseholder must be comprised within the tract under lease.

The S.E.¼ of section [illegible], township 3, range 10, west 4th meridian, containing 157.6 acres, also had to be withdrawn from the list of lands applied for, as a homestead entry thereof was granted by the Agent of Dominion Lands, at Lethbridge, on the 11th November last. According to a letter which was written on the Agent of Dominion Lands on the 6th September last, which is the authority underwhich he granted entry for this quarter section

section to Mr. Hall, the former was informed that if Mr. Hall was in occupation of the land and had improvements thereon at the time the lease was issued he would be entitled to make a homestead entry, but the Agent of Dominion Lands has not yet filed here the evidence on this point, and if no such evidence was obtained the Inspector of Ranches, to whom a copy of this letter is being sent, for his information, will be asked to procure it without delay.

In this connection I beg to call your attention to the fact that legal subdivisions 1, 2, 3, and 4 of section 1, township 3, range 11, west 4th meridian - 132.30 acres; the N.E.¼ of section 15, township 2, range 10, west 4th meridian, - 160 acres, and the N.E.¼ of section 6, south of the River, in township 2, range 10, west 4th meridian - 157 acres, not having been included in the original application of the Company, were not inspected and valued by the Inspector of Ranches, who valued the other lands covered by the original application at $1.00 per acre, and these parcels, aggregating 449.30 acres, have been included in the sale, but subject to their being inspected and valued by the Inspector of Ranches, who is being instructed accordingly.

The sale is also subject, as the Company was previously advised, to such right of way through township 2, range 11, west 4th meridian, as may be required by the Alberta Railway & Irrigation Company to irrigate their lands.

Now with regard to your reasons for the Hon. application for homesteads for S.E¼ 28-2-10 we submit that should this application be granted we should be allowed to select an equal number of acres in lieu of that cancelled. Should we be allowed the privilege of this would not be necessary.

[illegible] for [illegible] to [illegible] [illegible] [illegible]

accordingly, and these regulations were in course of preparation at the time these two Companies made their applications to purchase.

The new regulations contained a provision that any leaseholder who had complied with the other provisions of the regulations should be entitled to purchase land not to exceed ten per cent of his leasehold. This provision was also contained in the form of lease issued under these regulations.

It was under this regulation and provision contained in the leases issued to these Companies that the sales aforesaid were carried out. The applications to purchase were made on the 10th of December, 1904, at the time these regulations were being prepared. The regulations were approved by His Excellency the Governor General in Council on the 14th of February, 1905, and came into effect, after publication in the Canada Gazette for four weeks, on the 16th of March, 1905.

The applications were dealt with on the lines laid down in the regulations

and

and the officers of the Department had no other course open.

The delay in carrying out these sales arose from the fact that the list of lands applied for was several times changed as to particular fractional quarter sections: the delays thus occurring carried the transactions over to the dates when they were actually closed out, as appears by the answers to the questions prepared.

The fact that these sales were not carried [illegible] before you became Minister, and that the leases provided for such sales, led me to the conclusion that it was not necessary to refer the details to you, as it was simply a matter of closing out a transaction authorized before you took office.

I trust that you will consider this statement a sufficient explanation of the action which I thought proper to take in this matter.

S I R:-

I beg to acknowledge receipt of your letter of the 27th. of January last, H.O. File No.967,234, respecting the sale of certain lands to the Milk River Cattle Co., Limited, and containing the following extract from a letter to Mr. A. E. Philp of the same date:-

> "In this connection I am to call your "attention to the fact that legal sub-divisions 1,2,3, "and 4 of Section 18, Township 2, Range 11, West 4th. "Meridian - 132.20 acres; the N.E.¼ of Section 15 "Township 2, range 10, West 4th.Meridian - 160 acres, "and the NE¼ Section 26, South of Ridge, Twp.2,Rge.10, "West 4th.meridian - 156 acres, not having been inclu- "ded in the original application of the Company, were "not inspected and valued by the Inspector of Ranches "who valued the other lands, covered by the original "application, at $1.00 an acre, and these parcels "aggregating 448.30 acres have been included in the "sale, but subject to their being inspected and valued "by the Inspector of Ranches, who is being instructed "accordingly."

and to say that an inspection of these lands has been made, and that Legal-Sub-Divs. 1, 2, 3, and 4, of Section 18, Township 2, Range 11, West of the 4th Meridian, was found to be for the most part a'sand flat'in the Milk River bottom, and the soil of a poor quality valueless for agricultural purposes, except perhaps by the aid of irrigation; the North-East Quarter of Section 15, Township 2, Range 10, West of the 4th. Meridian, is situated on a coulee some distance back from the river contains some bottom land of a poor quality, the rest being broken side-hills , the soil is light

ight and gravelly in character, and only fit for grazing purposes; the North-East Quarter of Section 26, South of the river, in Township 2, Range 10, West of the 4th. Meridian was found to consist of alkali flats, covered with sage-brush, the balance of this tract being broken hill-land known in this locality as "Bad Lands" and in my opinion valueless for any purpose [redacted].

I understand that the Company only wishes to acquire these lands, not for any real value they may have, but for the purpose of squaring up and making more compact their holdings in this locality.

I would place the value of these lands not to exceed $1.00 per acre.

Mr. York:

Messrs. Philp & Milgour enclosed a release of the N.W.¼ of Section 19, Township 2, Range 8, West of the Fourth Meridian, from Ranche No. 1590, in favour of the Milk River Cattle Company, Limited, such release being signed,- Spencer Brothers and Taylor.

A report was received from your Branch stating that the lessees of the said ranche, comprising the land referred to, were - Allan Spencer, Samuel Spencer, John Spencer, W. A. Taylor, William McIntyre, John McIntyre and William Harper, all of Sunnyside, Montana; and that, as these persons were not described in the lease as Spencer Brothers, the signature of each of them should, in consequence, be affixed to the release.

Messrs. Philp & Milgour were so advised; and now enclose with their letter of the 20th December last a release of the land in question signed Spencer Brothers and Taylor, Samuel Spencer, John Spencer and W. A. Taylor.

It would appear that some of the lessees have not affixed their signature to this release; and I should be glad, therefore, to be advised whether or not it will be accepted.

Mr. McDonald

Ranche 1590 stands in the name of the persons undersigned. It is my opinion that any release or assignment of the lease should be executed by all parties affected by the lease. This however is a matter for the consideration of the Department.

LAND PATENTS BRANCH,

Ottawa, 23rd March, 1912

MEMORANDUM:---

I beg to inform you that the attention of Mr. A.E.Philp, Manager of the Milk River Cattle Company Limited, was called by letter of the 22nd ultimo to the fact that the payment which he was asked to remit by letter of the 1st september last, amounting to $1,876.95, with interest thereon at 5% from the 3rd December, 1910, to the date of payment, had not yet been made and he was asked for a statement of his intentions in the matter, and in this connection to submit his letter of the 11th instant, in which he states that if the Department will extend payment until the 1st December next when beef shipments are in, the Company will arrange that the payment of the balance be made.

In a previous letter Mr. Philp stated that if the Department insisted on payment of the balance or any part thereof being made now, he would arrange to meet such payment, but he would much prefer if the balance could stand, as otherwise it would necessitate the Company borrowing the money required to meet such payment. He added that the heavy losses of five years ago and last year very seriously affected their financial standing.

Under the circumstances, I beg to recommend that the extension asked for be granted, with the understanding that the payment of the balance in full and the accrued interest will then be made.

Respectfully Submitted,

Ottawa 8th August, 1917.

Sir,

re 19-2-6-W.4th M., 160.6 acres.
North of Ribstone

Under date of the 11th inst., the above described parcel of land was applied for for ranching purposes, by Messrs. ... of Lamont Alberta, who are the lease-holders of the lands adjoining on the North & South.

In connection with this application, I may state that this land was applied for in January, 1906, by the Milk River Cattle Co., in connection with the sale of the latter's holdings, as it was then occupied by their homestead, as it was but comprised in their lease, but the Company had located buildings thereon previous to the survey.

It was decided at that time, to sell to the Milk River Cattle Co., at the current rate of $3.00 per acre, on a release being filed from Messrs. [illegible] and later within three months it was then increased.

A satisfactory release was not filed and the land was finally cancelled, after which the Milk River Cattle Co., in December, 1911, renewed their application, but no action was taken.

In view of the recent application by the Messrs. Taber, it has been thought advisable to have

the case thoroughly inquired into, and I am to request that you will detail a Homestead Inspector to investigate and report upon the merits of the conflicting applications of Messrs. Tabor and the Milk River Cattle Company, the value per acre of the parcel applied for and as to the advisability of the sale to either applicant, in order that the Department may be in a position to arrive at a decision in the matter.

Leased To - Milk River Cattle Co. Ltd.

I beg to return your Reference No. 17941 and to report that the portion of this Quarter-Section lying South of the River, containing 17.60 acres was patented in July, 1910, to James Elliott and is therefore not available.

The portion North of the River containing 128.60 acres was applied for in January, 1906 by the Milk River Cattle Company in connection with the sale of one-tenth of their leasehold, as it was not comprised in their lease, but the Company had located their buildings thereon previous to the survey.

It was decided at that time to sell the Quarter-section to the Milk River Cattle Company at the current rate of $3.00 per acre, upon a release being filed here from Messrs. Spencer and Taylor whose Patents it was then included. A satisfactory release was not filed and the lease was subsequently cancelled after which the Milk River Company in December 1910, renewed their application but no action was taken thereon.

Under date of the 12th instant, the Parcel North of the River, 128.60 acres was applied for, for grazing purposes, by Messrs. A. and F. C. Tator of Pendant d'Oreille, who are the lease holders of the lands adjoining on the North and South.

I am of the opinion that the Milk River Cattle Company, who are the leaseholders of the lands adjoining on

the West, should be considered the first applicant and the land sold to them at the rate of $3.00 an acre, as the Company was advised in January, 1906, unless, of course, it is thought advisable to have the matter thoroughly enquired into and reported upon by the Inspector in connection with the application of the Messrs. Tabor.

I may add that this land was inspected and valued in 1905 by the Inspector of Ranches, W. W. Stuart, at $1.00 an acre.

File No. 593,483 T&C.

March 6th, 1918.

[redacted]--Mr. York.

It appears from a memorandum of Mr. J. B. Cote's dated the 31st May, 1917, to the Deputy Minister, on file No. 96723[illegible] L.S., that in January, 1906, and also in December, 1910, the Milk River Cattle Company applied to purchase that portion lying north of the river of the north west quarter of section 19, township 2, range 6, west of the 4th meridian, but that no action was taken in connection therewith, and that the Company again renewed their application on the 29th May, 1917, on which date, however, the land had already been reserved in connection with an application made by Messrs. A. C. and F. C. Tabor to lease the land, which application was received by the Agent of Dominion Lands at Medicine Hat on the 7th May, 1917.

The matter of the conflicting claims of the Milk River Cattle Company and the Messrs. Tabor for this land was brought up for the consideration of the Deputy Minister by Mr. J. B. Cote, Controller of the Land Patents Branch in memoranda dated the 31st May, 1917, and the 19th January last, file No. 967234 W.O.

On the 26th ultimo the Deputy Minister advised Mr. Cote that after considering the relative merits of the two applicants the Minister had decided that the Milk River Cattle Company had the better case, and that the land should be sold to them if it was in accordance with the practice. This memorandum is also on file No. 967234 W.O.

Before taking action to cancel the grazing application I have thought it advisable to submit a review of the action taken by this Branch in connection therewith.

As already stated, Messrs. A. C. and F. C. Tabor's application was accepted by the Agent on the 7th May, 1917. The Agent forwarded the same here on the 8th idem, and stated in his covering letter that the land was available and had been reserved by him. The land was reported by the various Branches as vacant and the application was proceeded with in the usual way.

The

The Inspector of Ranches reported that the land was unfit for agricultural purposes or for a stock homestead, and recommended that it be leased to the applicants. On the 10th December last the Messrs. Tabor were advised that a lease of the land would shortly be prepared and forwarded for their signatures. On the 12th January last a lease in duplicate of the land was forwarded to the applicants, who signed the same and returned both copies here for execution. On the 20th ultimo the lease was submitted to the Deputy Minister, and in the covering memorandum I stated that I was not aware of any reason why the lease should not be executed. The lease was signed by the Assistant Deputy Minister on the 2[illegible]th ultimo. On the 4th instant a letter was written to the Agent of Dominion Lands at Medicine Hat enclosing one of the executed copies of the lease with instructions for him to forward it to the lessees. This letter was just about to be sent out when Mr. Cuming of the Land Patents Branch informed me verbally that it had been decided to sell the land in question to the Milk River Cattle Company. This was the first intimation received in this Branch that the Milk River Cattle Company had applied to purchase the land. The letter enclosing the lease was, therefore, held up. I find now that although the matter of the conflicting claims of the Milk River Cattle Company and the Messrs. Tabor was taken up with the Deputy Minister and the Minister by the Land Patents Branch and certain decisions arrived at in connection therewith, this Branch was not advised of the decision made, nor were any copies of the memoranda referring to the matter made for the information of this Branch, and, therefore, the application of the Messrs. Tabor to lease the land was dealt with from beginning to end without this Branch being aware that the Department had also under consideration an application from the Milk River Cattle Company. There was nothing on the grazing file either in the reports from the Agent of Dominion Lands at Medicine Hat or in the two reports from the Land Patents Branch to indicate that there was an application to purchase the land. In Mr. T. O. Cote's memorandum of the 10th January last to the Deputy Minister he stated that Messrs. A. and F. C. Tabor were also willing to lease or purchase the land in question. As a matter of fact the Messrs. Tabor had been advised exactly one month previous to that date that they would be granted a lease of the land. As matters now stand Messrs. A. C. and F. C. Tabor were promised a lease of the land, have signed a lease forwarded to them and the lease has actually been executed by the Assistant Deputy Minister on behalf of the Department, but as already stated the lease has not been sent out.

Gentlemen,

Referring further to your application for a grazing lease of the north half of section 19, north of the river, township 2, range 8, west of the 4th meridian, which was designated Ranche No. 1000, I regret to say that when the lease in duplicate of this ranche was forwarded to you for signature on the 14th January last it was overlooked that the Department was considering the sale of the north west quarter of section 19, north of the river, to the Milk River Cattle Company. After giving the matter careful consideration it has now been decided to carry out the sale of the portion of this quarter-section lying north of the river, to the above mentioned Company, and your application to lease this land for grazing purposes has, therefore, been cancelled. If you so desire, however, the Department will issue a lease in your favour covering that portion of the north east quarter of section 19 north of the river, in the above mentioned township, containing an area of 14 acres. You might let me hear from you in this connection at an early date.

Please see letter of the 30th ultimo, from Messrs. A. and F. Clifton Tabor in which they request that they be allowed to purchase the fractional north east quarter of section 19, north of river, township 2, range 3, west of the 4th meridian, containing an area of 14 acres. You will remember that it was proposed to lease the whole of the north half of this section, north of river, to Messrs. You might advise this Branch of any action taken in this connection, as the fractional north east quarter of this section, north of river, stands noted as included in Ranche No. 8080, held by Messrs Tabor.
